DAPPING PUNCH SET

Set of 30 hardened steel highly polished punches. A laminated hardwood stand with a clearly marked hole for each punch is included. Punch size diameters from 7/64" to 2" (2.8 - 50.8mm). Made in Europe.

PE228.30 \$151.00

I.D. PUNCH SET

Punches are 1mm smaller than the corresponding cavity (inside diameter) of a Pepe 2 1/2" dapping block. Punch and die combinations can be used on 18 ga. (1mm) metal to form perfect domes and hemispheres. 5 punches: 27.6mm, 30mm, 37.1mm, 43mm and 49.8mm. Includes wooden stand. Made in Europe.

PE228.05 \$92.15

MUSHROOM FORMER SETS

Set consists of 2 hardened steel convex punches and a hardened two-sided steel die with 2 concave depressions that correspond to the punches. Use to form bowls and shapes. Includes hardwood stand. Made in Europe.

PE266.00 2 1/4" & 2 1/2" \$68.00
 PE267.00 2 1/2" & 2 3/4" \$81.00
 PE269.00 3" & 3 1/4" \$98.00

ikohe DAPPING PUNCH SET

Set of 24 highly polished, hardened punches for shaping metal and/or use with dapping block. Punch size diameters from 7/64" - 1" (2.8mm to 25.4mm). Hardwood stand included. Made in India.

DB200 \$86.00

ikohe DAPPING PUNCH SETS

Punches made of hardened steel with finely polished ends for chasing and shaping metal in dapping blocks. Made in India.

Set of 18 (7/64" to 3/4")

DB218 \$43.50

Set of 24 (7/64" to 1")

DB224 \$53.50

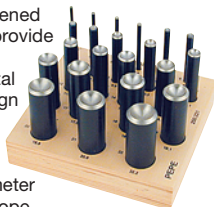

Set of 36 (7/64" to 1")

DB236 \$68.50

DAPPING-CUTTER SET

Precision-hardened tool steel cutting-punches provide fabrication and design versatility. Cut soft, thin metal (28 ga.) Create surface design textures. Close bezels. Concave work surface. Includes hardwood stand, 22 punches: 7/64" to 7/8" diameter (2.8 - 22.2mm) Made in Europe.

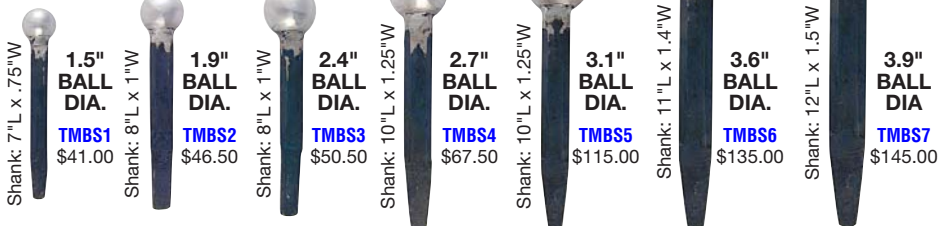

PE250.22 \$103.50

TIMOTHY MILLER BALL STAKES

Hand forged using the finest carbon steel. Standard size beveled shanks. Highly polished, hardened working surfaces.

Shank: 7" L x .75"W
1.5" BALL DIA.
 TMB51 \$41.00

Shank: 8" L x 1"W
1.9" BALL DIA.
 TMB52 \$46.50

Shank: 8" L x 1"W
2.4" BALL DIA.
 TMB53 \$50.50

Shank: 10" L x 1.25"W
2.7" BALL DIA.
 TMB54 \$67.50

Shank: 10" L x 1.25"W
3.1" BALL DIA.
 TMB55 \$115.00

Shank: 11" L x 1.4"W
3.6" BALL DIA.
 TMB56 \$135.00

Shank: 12" L x 1.5"W
3.9" BALL DIA.
 TMB57 \$145.00

LEAD DAPPING BLOCK

Provides a soft base for chasing and stamping. 3 1/4" x 3 1/4" x 7/8"

25.061 \$13.50

PEPETOOLS® 2" DAPPING BLOCK

Precision-machined and hardened tool steel. 17 full half-sphere dies measure: 3.2, 4.8, 6.4, 7.9, 9.5, 11.1, 12.7, 14.3, 15.9, 17.5, 19.1, 20.6, 22.2, 25.4, 28.6, 31.8, 34.9mm.

PE158.00 2" x 2" \$56.70

PEPETOOLS® FLAT DAPPING BLOCK

Preferred for smaller and progressive dapping. Precision-machined and hardened tool steel. 27 full half-sphere dies measure: 1.5, 2.0, 2.4, 2.8, 3.2, 3.6, 4.4, 4.8, 5.6, 6.4, 7.1, 7.9, 8.7, 9.5, 10.7, 11.1, 12.7, 14.3, 15.5, 15.9, 17.1, 17.5, 19.1, 20.6, 22.2, 23.8, 25.4mm (1/8" to 1"). Made in Europe.

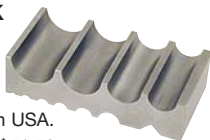

PE161.00 5 1/8" x 2 1/2" x 3/4" \$77.00

RING BENDING BLOCK

Use to form rings, tubing, bezels. 10 semi-circular grooves (1/8" - 1" dia.) and "V" groove. Hardened tool steel. Made in USA.

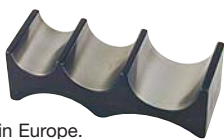

32.625 4 3/4" x 3 1/2" x 1 1/4" \$71.50

PEPETOOLS® BENDING BLOCK

Use to form rings, tubing, bezels. 5 semi-circular grooves (1 1/8" - 2 1/8" dia.). Hardened tool steel. Made in Europe.

PE268.00 6 1/4" x 2 3/8" x 2" \$81.00

PEPETOOLS® DELUXE DAPPING and FORMING SET

- 30 Piece Dapping Set
- 5 Piece I.D. Punch Set
- 2" x 2" Dapping Cube
- 2 1/2" x 2 1/2" Dapping Cube
- Designer Dapping Block
- 27 Hole Flat Dapping Block
- 22 Piece Dapping Cutter
- Laminated Hardwood Stand

PE228.500 \$475.00

BEZEL BLOCKS

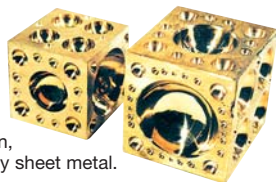

Hardened, polished tool steel bezel blocks. Used for forming tapered bezels from flat stock. The complementary hardened tapered punch fits all the depressions in the block. Made in Italy.

Item No.	Shape	Profile	Range	Punch Angle	#/Holes	Price
DB501	Emerald	■	4-14mm	17°	11	\$115.00
DB502	Round	●	5-20mm	17°	20	\$94.70
DB503	Octagon	●	4-14mm	17°	11	\$94.70
DB505	Oval	●	4-14mm	17°	11	\$131.00
DB507	Hexagon	●	4-14mm	17°	11	\$95.00
DB508	Pear	●	4-14mm	17°	11	\$138.00
DB509	Square	■	4-14mm	17°	11	\$110.00
TX1500	Round	●	5-20mm	28°	20	\$94.70

ikohe BRASS DAPPING BLOCKS

Highly polished brass blocks with depressions on six sides. Softer than steel blocks.

Use with dapping punches to dome thin, high karat or fine alloy sheet metal.

DB055 2" \$27.50

DB065 2 7/8" \$32.50

PEPETOOLS® 2 1/2" DAPPING BLOCK

Precision-machined and hardened tool steel. 21 full half-sphere dies measure: 2.0, 3.2, 4.8, 6.4, 7.9, 9.5, 11.1, 12.7, 14.3, 15.9, 17.5, 19.1, 20.6, 22.2, 25.4, 27.0, 28.6, 31.8, 34.9, 44.5, 50.8mm. Made in Europe.

PE159.00 2 1/2" x 2 1/2" \$75.00

PEPETOOLS® DAPPING DIE and DESIGN BLOCK

Precision-machined and hardened tool steel. 14 full half-sphere dies 1/8" to 1" (3.2 - 25.4mm). 8 different size half cylinders (1/8" - 1" dia.) along the edge of the block for shaping strip, rings and setting stones.

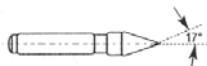

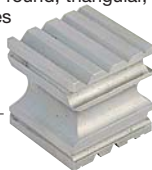

Made in Europe.
PE162.00 3 3/4" x 2 1/2" x 7/8" \$57.85

PEPETOOLS® DESIGNERS' FORMING BLOCKS

A large variety of half-round, triangular, square, rectangular and "V" grooves for shaping and forming. Precision-machined and hardened tool steel. Made in Europe.

Item No.	Size	Price
PE118.00	2 1/4" sq. (55mm)	\$61.00
PE117.00	2 3/4" sq. (70mm)	\$63.00

ikohe WOOD DAPPING BLOCK and PUNCHES

Hardwood block with 2 punches. Use for shaping and removing dents. Will not mar metal. 2 1/2" square block.

DB043 \$7.75

ikohe HARDWOOD DAPPING PUNCH SET

Quality-finished hardwood punches won't mar metal when shaping and forming. Use on thin, fine, or high karat metal. 24 punches (7 - 40mm dia.).

DB044 \$52.50

ikohe WOOD DAPPING PUNCHES and DIE SET

Hardwood dapping block and punch set. Handcrafted. Each punch and die is marked. 8 punches and matched concave hemispheres from 10 - 19mm.

DB045 11 3/4" x 7" x 3" \$85.00

ikohe LARGE WOOD DAPPING BLOCK

Hardwood. Use for sinking and forming large domed or grooved shapes. 2 (5" - 6") shallow concave depressions. 4 grooves on 2 sides of block.

DB046 7" x 7" x 3 3/4" \$42.50

DISC CUTTERS

Will produce a perfect circle from a sheet of gold, silver, copper, or brass that is 18 gauge (0.040") or thinner. Softer, annealed metal sheet is preferred when cutting thicker discs; 24 gauge or thinner, tempered sheet metal will yield sharper edged circles. Brass dead-blow hammer should be used to strike the punches.

ikohe DISC CUTTERS

Precision-machined, hardened and tempered to strict tolerances for accurate cutting of soft metal sheet to 18 gauge (0.040").

ikohe SMALL DISC CUTTER

7 round metal punches with diameters of: 1/8", 3/16", 1/4", 5/16", 3/8", 7/16", 1/2".

DC271 \$34.50

ikohe LARGE DISC CUTTER

5 round metal punches with diameters of: 1/2", 5/8", 3/4", 7/8", 1".

DC272 \$42.50

ikohe DISC CUTTER

2 punches with diameters of: 1 1/4" and 1 1/2". Made in India.

DC-270 \$75.00

PEPETOOLS DISC CUTTERS

Made from high carbon tool steel. Each disc cutter is individually machined to exacting tolerances, hardened and tempered. Each punch has a shoulder ring to prevent it from falling through the base after it has been struck. Cut discs from gold, silver, brass and copper up to a thickness of 18 gauge (0.040"). Made in Europe.

PEPETOOLS SMALL DISC CUTTER

7 punches with diameters of: 1/8", 3/16", 1/4", 5/16", 3/8", 7/16", 1/2".

PE194.10 \$75.60

PEPETOOLS LARGE DISC CUTTER

5 punches with diameters of: 1/2", 5/8", 3/4", 7/8", 1".

PE195.10 \$80.00

PEPETOOLS COMBINATION DISC CUTTER

11 punches with diameters of: 1/8", 3/16", 1/4", 5/16", 3/8", 7/16", 1/2", 5/8", 3/4", 7/8", 1".

PE196.10 \$115.00
